

Nada Gligorov
Curriculum Vitae

Icahn School of Medicine at Mount Sinai
Department of Medical Education
Box 1076
One Gustave L. Levy Place
New York, NY 10029
Phone: (212) 241-8895

Email: nada.gligorov@mssm.edu

Areas of Research Specialization

Neuroethics, Bioethics, Philosophy of Mind

Areas of Teaching Competence

Neuroethics, Bioethics, Philosophy of Mind, History of Philosophy, Logic and Critical Thinking

Academic Appointments

Associate Professor of Medical Education, Department of Medical Education, Icahn School of Medicine at Mount Sinai, since 2015

Assistant Professor of Medical Education, Department of Medical Education, Icahn School of Medicine at Mount Sinai, 2008-2015

Assistant Professor of Bioethics, Bioethics Program, Union Graduate College, 2007-2015

Education

Ph.D., Philosophy, Graduate Center, City University of New York, 2007
Dissertation: Eliminative Materialism and the Distinction between Common Sense and Science (Dissertation advisor: David Rosenthal)

M.A., Philosophy, New School for Social Research, 2000

B.A., Philosophy, University of Toronto, 1997

Awards and Grants

1. Book Prize Winner at the International Neuroethics Society. Awarded for the poster presentation titled: Don't Worry, This Will Only Hurt a Bit: Informed Consent and the Role of Expectation in Pain Intensity. November 10th, 2017.
2. Principal Investigator. Arnold P Gold Foundation. Grant awarded to support the first Annual Medical Student Ethics Conference at Icahn School of Medicine at Mount Sinai. March 19th, 2016.
3. 1st Prize Winner for the Best Essay by an Established Investigator. Awarded for an essay titled, "A Defense of Brain Death". Montreal Neuroethics Conference for Young Researchers. April 17th, 2015.
4. Grant Faculty. R25 TW008171-01A1, NIH. Research Ethics Education in the Balkans and Black Sea Countries (Rosamond Rhodes, PI). 2012-2017.
5. Participant. NEH Summer Institute. Investigating Consciousness: Buddhist and Contemporary Philosophical Perspectives. Charleston, SC, May 21 - June 2, 2012.
6. External Consultant. Rare Diseases: Molecular Pathophysiology, Diagnostic and Therapeutic Modalities and Social Aspects. Project funded by the Serbian Ministry of Education and Science. 2011-2014.
7. Co-Investigator. RFA-RM-08-030, NIH. The Human Microbiome, Ethical, Legal and Social Implications. (Rosamond Rhodes, PI). 2010-2011.

Invited Presentations

1. The Permissibility of Prescribing Stimulants. Columbia University Bioethics Society, Columbia University, New York, NY, September 26, 2016.
2. The Ethics of Addiction: Discussing moral responsibility with a bioethicist, a neurobiologist, and a psychiatrist (panelist). Ethics Luncheon, Icahn School of Medicine at Mount Sinai, New York, NY, September 22, 2016.
3. Surrogate Decision Making and Patient Preferences. Division of Hospital Medicine Grand Rounds, Mount Sinai Hospital, New York, NY, July 5, 2016.
4. Personal Identity and Memory Modification. Speaker Series on Identity, University of Rijeka, Croatia, Department of Philosophy, June 28, 2016.

Nada Gligorov - *Curriculum Vitae*

5. Bioethics in the 21st Century. Consortium of Multiple Sclerosis Centers, Washington, D.C., June 3, 2016.
6. Contemporary Approaches in Research Ethics. International Training Workshop on Responsible Conduct in Translational Research, BEST-NetWORK Project (funded by EU START), Cluj-Napoca, Romania, September 24-25th, 2015.
7. Scientific Misconduct: Definition and Cases. International Training Workshop on Responsible Conduct in Translational Research, BEST-NetWORK Project (funded by EU START), Cluj-Napoca, Romania, September 24-25th, 2015.
8. Bioethics Education Using Standardized Patient/Actor Scenarios. Pre-Conference Workshop. 11th International Conference on Clinical Ethics Consultation, May 19th, 2015, New York, NY.
9. Privacy, Confidentiality, and New Ways of Knowing More. Workshop on Humans, Microbes, and Their Interaction, University of Oregon, Eugene, Oregon, August 2, 2015.
10. Scientific Misconduct, Authorship, and Peer Review. Bioethics Seminar on Responsible Conduct of Translational Research, BEST-NetWORK Project (funded by EU START), Belgrade, Serbia, July 3, 2015.
11. Do You Remember Who You Are? Memory Modification and the Concept of Self. Union Graduate College and Icahn School of Medicine Bioethics Program, Webinar Series, March 10, 2015.
12. The Human Microbiome: Implications of the Microcosm within Us (panelist). AAAS 2015 Annual Meeting, San Jose, CA, February 12-16, 2015.
13. Scientific Misconduct: Pitfalls for the Junior Investigator (panelist). Translational Science Conference, Washington, DC, April 9-11, 2014.
14. The Ethics of Medical Enhancement: Should We Prescribe Stimulants to Improve Grades? Psychiatry Department Grand Rounds. Jersey Shore University Medical Center, December 11, 2013.
15. The Concept of Free Will (Workshop Participant). The ASBH 15th Annual Meeting, October 24-27, 2013.
16. The Ethics of Medical Enhancement: Should We Prescribe Stimulants to Improve Grades? Ethics and Humanism in Medicine Symposium, Jersey Shore University Medical Center, April 16, 2013.
17. Free Will, Punishment, and Healthcare for Prisoners. The American Philosophical Association (Pacific Division), San Francisco, April 27-30, 2013.
18. Cognitive Enhancement (keynote speaker). 27th Annual Medical Ethics Symposium—Stuyvesant High School. December 12, 2012.
19. The Human Microbiome and Personal Identity. Issues in Medical Ethics, 23rd New York Regional Conference, Mount Sinai School of Medicine, October 12, 2012.
20. E-Learning (panelist). The Second Cambridge Consortium for Bioethics Education, Paris, France, April 11-13, 2012.

21. Interpreting Neuroimages: Interdisciplinary Engagement with the Complexities (Workshop Participant). The University of Pennsylvania, Organized by The Hastings Center, September 15-16, 2010.

Peer Reviewed Presentations

1. Unrepresented Patients Experiencing Mental Distress: Unique Challenges for Surrogate Decision Makers (presented with Phoebe Friesen). The 28th Annual Canadian Bioethics Society Conference, May 24-26, 2017.
2. Training to Meet the Needs of Those We Serve: Integrating Standardized Patients into Ethics Education (panelist). The ASBH 19th Annual Meeting, Washington, DC, October 6-9, 2016.
3. Identifying Death. Oxford-Mt. Sinai Consortium on Bioethics, Icahn School of Medicine at Mount Sinai, New York, April 11-13, 2016.
4. Brain Imaging and Mental Privacy. The International Academy of Law and Mental Health, Vienna, Austria, July 15-17, 2015.
5. A Defense of Brain Death. The Long Island Philosophical Society, Queens, New York, April 18, 2015.
6. A Defense of Brain Death. Montreal Neuroethics Conference for Young Researchers, Montreal, Canada, April 17, 2015.
7. Continuity and the Changing Self. The Enhancing Responsibility Project, TU Delft, Netherlands, August 13-15, 2014.
8. Is Incurability a Mental Feature? The New Jersey Regional Philosophical Association, November 10, 2012.
9. The Revisability of Moral Concepts. 11th World Congress of Bioethics, International Association of Bioethics, Rotterdam, June 26-29, 2012.
10. Brain Imaging, Privacy, and the Reduction of Mental States. Oxford-Mt. Sinai Consortium on Bioethics, Amsterdam, April 4-6, 2012.
11. Human Microbiome Research and Transforming Paradigms of Health and Disease: Ethical, Legal, and Social Implications of the Human Microbiome Project (panelist). The ASBH 13th Annual Meeting, October 12-16, 2011.
12. The Revisability of Moral Concepts. Oxford-Mt. Sinai Consortium on Bioethics, New York, April 4-6, 2011.
13. Using Clinical Moral Reasoning in Teaching Ethics and Assessing Competency (panelist). AAMC, Washington, D.C. November 7, 2010.
14. Assessment of Medical Student Competency in Medical Ethics (panelist). The ASBH 12th Annual Meeting, October 21-24, 2010.
15. Functional Brain Imaging, Free Will, and Privacy. Second Annual Dutch Conference in Practical Philosophy, Groningen, the Netherlands, October 8-9, 2010.

Nada Gligorov - *Curriculum Vitae*

16. Human Microbiome and the Social Fabric. Human Microbiome Conference, St. Luis, Missouri, August 31- September 2, 2010.
17. Plasticity, Phenomenal Character, and Brain Qualia. Cave Hill Philosophy Symposium, University of the West Indies, Barbados, November 19-20, 2009.
18. Functional Brain Imaging, Free Will, and Privacy. The ASBH 11th Annual Meeting, Paper Session, with, Stephen C. Krieger, October 15-18, 2009.
19. Translating Lessons from Medical Education to Clinical Ethics Education (panelist). The ASBH 11th Annual Meeting, October 15-18, 2009.
20. What you Can('t) Know about the Mind from the Brain. Presented with Stephen Krieger, Oxford-Mt. Sinai Consortium on Bioethics, New York, April 1-3, 2009.
21. The Revisability of Commonsense Psychology. The New Jersey Regional Philosophical Association, November 8, 2008.
22. The Revisability of Commonsense Psychology. The Long Island Philosophical Society, October 18, 2008.
23. Reduction or Reconceptualization? The New Jersey Regional Philosophical Association, November 3, 2007.
24. Connecting Cognitive Psychology to Clinical Ethics (panelist). The ASBH 9th Annual Meeting, October 18-21, 2007.
25. Using Clinical Reasoning Skills to Resolve Ethical Dilemmas. Workshop with David Alfandre, Rosamond Rhodes, Steven Birnbaum, Northeast Group on Educational Affairs, June 8-9, 2007.
26. The Impact Bias and Paternalism. Joint Ethics Conference, 18th Canadian Bioethics Society Conference, June 2007.
27. The Problem of Personal Identity and Its Impact on Advance Directives. Presented with Christine Vitrano, Oxford-Mt. Sinai Consortium on Bioethics, New York, April 18-20, 2007.
28. Plasticity and Phenomenal Character. CUNY Cognitive Science Symposium, May 12, 2006.
29. The Kantian Interpretation of Autonomy and Its Implications on Paternalism. Presented with Christine Vitrano, Oxford-Mt. Sinai Consortium on Bioethics, New York, April 11-13, 2005.
30. Affective Forecasting and Patient Refusal of Care. Oxford-Mt. Sinai Consortium on Bioethics, Oriel College, Oxford, March 31- April 2, 2004.
31. Masked Priming. CUNY Cognitive Science Symposium, December 7, 2001.

Moderator, Commentator

1. Ethics Training and Global Bioethics (chair). 9th International Conference on Clinical Ethics Consultation, Munich, March 14-16, 2013.

Nada Gligorov - *Curriculum Vitae*

2. Evaluating Ethics Consultation (chair). 9th International Conference on Clinical Ethics Consultation, Munich, March 14-16, 2013.
3. What Is the Four Principles Approach to Biomedical Ethics? Kristen Hine, (commentator) American Philosophical Association, Pacific Division, April 2009.
4. Questions About the Definition of Research (moderator). Issue in Medical Ethics, 21st New York Regional Conference, Mount Sinai School of Medicine, March 6, 2009.

Poster Presentations

1. The Cognitive Basis of Commonsense Morality. Presented at the International Neuroethics Society Annual Meeting, Washington, D.C., November 9-10, 2017.
2. Don't Worry, This Will Only Hurt A Bit: Informed Consent and the Role of Expectation in Pain Intensity. Presented at the International Neuroethics Society Annual Meeting, Washington, D.C., November 9-10, 2017.
3. Identifying Death. Presented at the Neuroethics Network, Paris, France, June 29-July 1, 2016.
4. Bioethics Education: Bridging the Gap between Knowledge and Skill. Presented at ASPE Annual Meeting, Denver, Colorado, June 14-17, 2015.
5. Self-Identity, Personal Identity, and the Human Microbiome Project. Presented at HMP ELSI Meeting, March 2012.

Teaching Experience

Clarkson University and Icahn School of Medicine at Mount Sinai Bioethics Program
Neuroethics
Clinical Ethics
Research Ethics

Icahn School of Medicine at Mount Sinai

For Research Ethics Certificate Program in the Balkan and Black Sea Countries:
Responsible Conduct in Research
Basic Concepts in Human Subject Research

For Undergraduate Medical Education:

Medical Ethics in clinical clerkships for pediatrics, obstetrics and gynecology, emergency medicine, surgery, anesthesiology, and psychiatry rotations.

For Graduate Medical Education:

Medical Ethics for residents in psychiatry and neurology.

For The Graduate School of Biomedical Sciences:
Responsible conduct of Research

City University of New York, MERC/RISE Program
Research Ethics

New York City College of Technology, NSF Research Experience for Undergraduates

Nada Gligorov - *Curriculum Vitae*

Research Ethics Workshop

Hunter College, Philosophy Department
Introduction to Logic and Critical Thinking
Introduction to Philosophy

Completed Postgraduate Supervision

Icahn School of Medicine at Mount Sinai and Clarkson University Masters in Bioethics Program:

Ana Krivokuća, Ph.D. “Return Of Incidental Findings in Genomic Research: Defining and Managing the Issue in Serbia” (2017)

Jandy Hanna, Ph.D. “Interaction between Narrative and Relational Personal Identity on the Moral Obligations to Great Apes” (2016)

Sarah D. Barber, J.D. “Guidebook for Ethics Consultations in Long-Term Care Settings in Maryland” (2015)

Linda Spang, J.D. “Assessment of Effectiveness and Quality of a University-Based Institutional Review Board” (2013)

Greg Mitchell “Ethics in Accountable Care Organizations: The Role of Ethics and Outreach in a Shared Savings System” (2013)

Brandon Hamm, M.D. “Physician Communication of Thick Ethical Concepts” (2012)

Wesley Bronson, M.D. “Guidelines, Values, and Patient Autonomy” (2012)

Lisa Powers. “Savior Siblings: The Need for Future Protection” (2011)

Naomi Dreisinger, M.D. “Ethical Issues in the Emergency Department: A Residency Education Curriculum” (2011)

Robert F. Dunton, M.D. “Reducing Racial Disparities in the Outcome of Surgical Treatment for Coronary Artery Disease” (2010)

Jessica Bell “Pharmaceutical Researchers and the Duty to Warn” (2010)

Renata Veselska, Ph.D. “Case Studies in the Bioethics Course” (2007)

Service

To the Profession:

Member of the Conference Program Committee for the 11th International Conference on Clinical Ethics Consultation, Icahn School of Medicine at Mount Sinai, New York, NY, 2015.

Member of the Scientific Committee for the 9th International Conference on Clinical Ethics Consultation, Klinikum Ludwig-Maximilians-University (LMU), Munich, Germany, 2013.

Chair of the Subcommittee on Empirical Research, ASBH 12th Annual Meeting, 2010.

Nada Gligorov - *Curriculum Vitae*

To the Icahn School of Medicine at Mount Sinai:

Member of the Admissions Committee, Icahn School of Medicine at Mount Sinai, since 2007.

Member of the Research Ethics Committee, Icahn School of Medicine at Mount Sinai, since 2009.

Member of the Ethics Committee, Mount Sinai Hospital, since 2010.

Member of the Professionalism Committee, Icahn School of Medicine at Mount Sinai, since 2010.

To the Bioethics Program at the Icahn School of Medicine at Mount Sinai:

Founder and Organizer of the Annual Medical Student Ethics Conference. *Becoming a Physician: Ethical Challenges in Medical Education*. Icahn School of Medicine at Mount Sinai, New York, NY, since 2016.

Founder and Organizer of Working Papers in Ethics and Moral Psychology, Icahn School of Medicine at Mount Sinai, since 2014.

Conference Co-Organizer of the 25th New York Regional Conference, Ethical Issues in Nursing, Icahn School of Medicine at Mount Sinai, October 2, 2015, New York, NY.

Journal Refereeing:

AJOB Neuroscience
AJOB Primary Research
Environmental Philosophy
Journal of Medical Ethics
Journal of Value Inquiry
Neuroethics
The Southern Journal of Philosophy

Refereeing for Granting Agencies:

National Institute of Mental Health (NIMH), BRAIN Initiative
Social Sciences and Humanities Research Council of Canada (SSHRC)
Wellcome Trust
